BASIS OF COMPLAINANT'S CHARGE AGAINST THE ACCUSED: On or about February 7, 2020, in the District of Arizona (Sonoita), United States Border Patrol Agents (BPA) encountered a 2008 Dodge Avenger at the HWY-82 checkpoint with one visible occupant. The driver was identified as Shawn Allen Cobb . The vehicle was referred to secondary inspection where a service dog alerted to the trunk of the car. A concerned citizen who was driving behind Cobb told the BPA that Cobb pull out from a dirt road two miles south of the checkpoint. He added that Cobb pulled out and cut him off, where the citizen had to slam on his brakes and swerve to avoid a traffic collision. BPA found an unaccompanied juvenile hiding in the trunk and determined that he was in the U.S. illegally. The trunk was packed with trash and the juvenile's ability to move in the trunk was very limited. Material witness FGF said that he was traveling to New York to live with his uncle and work. FGF said that his uncle was going to give the driver money after picking him up. FGF identified Cobb as the driver. In a post-Miranda statement, Cobb said that he responded to a message notification offering to pay \$300 USD to transport people from the Arizona border to Phoenix, AZ. He said that he knew that he would be transporting illegal aliens. Cobb said that he drove to Douglas and arrived at a store where he picked up the illegal alien. Cobb initially said that he stopped before the checkpoint to place the illegal alien in the trunk. Later he said that the illegal alien got into the trunk when he picked him up and that he had been in the trunk for approximately three hours when they were arrested. Cobb admitted that he transported another illegal alien in the trunk of his car the previous day and that he took him to Phoenix.
